Lit Up With Grace (Reconciliation) Rhyming Puppet Show

Rory	Hi Jane! What's that look upon your face?
Jane	I feel like I could run a race, I got my sanctifying grace!
Rory	Oh, come on, now! No exaggeration.
Jane	It's true! I had my First Reconciliation.
Rory	I thought that you were always good.
Jane	I'd still go to the priest every week if I could.
Rory	You like confessing? What can this mean?
Jane	I like it because it has washed my soul clean!
Rory	Telling my sins is embarrassing, I find.
Jane	But the priest was so helpful and holy and kind!
Rory	Oh don't worry, your sins are no big deal.
Jane	They all seem big, the way I feel.
Rory	But that's just crazy, your sins are so small!
Jane	I love God so much, I should not sin at all!
Rory	You can't be perfect, you're a sinner like me.
Jane	But when we try harder we get graces, you'll see!
Rory	You're making me want to go back right away!
Jane	I'll go with you soon, how 'bout next Saturday?
Rory	I can't wait to talk to the priest once again.
Jane	I know what you mean. We are so blessed, my friend.
Rory	You're right 'cause we're Catholics we're blessed with this gift.
Jane	It mends broken souls of the old Bible rift.
Rory	When Adam and Eve lost the Garden of Joy.
Jane	But we're having a bath for our spirits, oh boy!
Rory	With Christ we live from glory to glory.
Jane	Amen! I think you've got it, Rory!

The End
